## **What's New at Stage 8 Locking Fasteners:**

Recently, Stage 8 locking fasteners was granted a trademark on their locking systems. A top priority at Stage 8 is protecting their WD & Jobber customers and the end user from imitations. This unprecedented trademark is in addition to the already existing patent on their locking fasteners. The Stage 8 Locking Fastener systems enjoy a 20 year history of 100% product success with zero failure in all facets of the mechanical and industrial marketplaces they reach: automotive, heavy machinery, production & processing machinery and multiple levels of the rail transportation industry.

Now Stage 8 is presenting both WD's and jobber countermen an opportunity to receive cash incentives. The "Cash in Hand" promotion runs from May 1<sup>st</sup> 2006 through August 1<sup>st</sup> 2006. For every "Cash in Hand" Stage 8 Plan O Gram ordered by a WD a \$25.00 cash incentive will be paid. Countermen will receive a \$2.00 "Cash in Hand" incentive reward for every Stage 8 kit sold off the "Cash in Hand" Plan O Gram. This is a direct cash spiff program; easy to manage and an easy program to participate in. Buy "Cash in Hand" Plan O Grams and get \$25.00 for each; sell kits off of the "Cash in Hand" Plan O Gram and get \$2.00.

All Stage 8 Locking Fasteners are proudly made in America. Great customer service and great advertising support. For further details on the "Cash in Hand" program call a Stage 8 customer service pro today at 800 843 7836.
